

| Teaching Schedule 2010 | | | |
|------------------------|--|--|---|
| | JC1 (11-1pm) | JC1 (2-4pm) | JC2 (4-6pm) |
| 6-Jun | Revision for Mid-year | | AP and GP |
| 13-Jun | Revision for Mid-year | | Graphing Technique |
| 20-Jun | Revision for Mid-year | | Maclaurin's Series |
| 27-Jun | Revision for Mid-year | | Function |
| | | | |
| 4-Jul | Differentiation Technique | | Complex Number |
| 11-Jul | Differentiation Application | | Complex Number |
| 18-Jul | Differentiation Application | | Complex Number |
| 25-Jul | Maclaurin's Series I | | Hypothesis Testing |
| | | | |
| 1-Aug | One to One Consultation | | One to One Consultation |
| 8-Aug | Maclaurin's Series II | | Linear Regression |
| 15-Aug | Integration Techniques | | Integration Technique |
| 22-Aug | Integration Techniques | Function | Integration Application and Differential Equation |
| 29-Aug | Integration Techniques | Graphing Techniques | Vectors |
| | | | |
| 5-Sep | Integration Application | Graphing Techniques | Binomial and Poisson Distribution |
| 12-Sep | Integration Application | Graphing Techniques | Normal Distribution and Sampling |
| 19-Sep | Revision: Differentiation | AP | Inequality and Mathematical Induction |
| 26-Sep | Revision: Integration | GP | Complex Number and Past Year A Level Paper |
| | | | |
| 3-Oct | The teaching schedule of this class is suitable for non RJC & SAJC Students | The teaching schedule of this class is suitable for RJC & SAJC Students | P&C and Probability and Past Year A Level Paper |
| 10-Oct | | | One to One Consultation |
| 17-Oct | | | Integration and Past Year A Level Paper |
| 24-Oct | | | Function and Graphing and Past Year A Level Paper |
| 31-Oct | | | Vectors and Past Year A Level Paper |
| 7-Nov | | | Final Revision |
| | | | |
| 14-Nov | Differential Equation | Binomial Series | |
| 21-Nov | Differential Equation | Recurrence Relation | |
| 5-Dec | Permutation and Combination | Mathematical Induction | |
| 12-Dec | Permutation and Combination | Inequality | |
